CHIROPRACTIC SCHOOL INFORMATION SESSION

The Pre-Professional Advising Office and University of Western States invite you to learn more about the Doctor of Chiropractic program. This program is a rigorous 12 academic-quarter, first professional doctorate program that can be completed in three to four years. While at UWS, students learn, critique, and master the complexities and intricacies of treating the whole human being.

WEDNESDAY, MARCH 29TH, 2017

1:00PM- 2:00PM

LOCATION: BIO 221
