My Plans Create a New Plan

To access GPS, sign on to Campus Information Services www.cis.utah.edu. Enter your University ID number (uNID) and password. For more information, access the “What is a uNID and Password?” link. From there, click on “Graduation Planning System,” located in the “Graduation” menu.

1. Click the “Create a new Plan” tab.
2. Click the arrow next to the college to see degree type.
3. Click the arrow next to the degree type to see majors.
4. Click the arrow next to the major to see roadmaps.
5. Click on the roadmap for the correct year. Unless you have already declared this major, choose the most recent.
